

Hamilton West  
School

## Doctor in the House in 2017

We are happy to announce an exciting new initiative at Hamilton West School. Dr Maree McCracken from South City Health will be our school between 9 and 10.00am on Tuesday mornings to see students who need to see a doctor. This will be a drop in clinic – no appointment required. Consultations are free for all students. Most prescriptions will also be free. You can contact the doctor at [dr.maree@hamwest.school.nz](mailto:dr.maree@hamwest.school.nz).

**Please sign and return the consent form to allow your child to be seen by the doctor if needed. We prefer parent/caregivers to attend with their child, however if this is not possible, a note will be given to your child with details about their condition and any extra care required at home. Any medicine required will be delivered to the school office for pick up on Tuesday after School. You will be contacted if any special follow up is required.**

\_\_\_\_\_

Next of kin \_\_\_\_\_ Usual Doctor \_\_\_\_\_

I (name) \_\_\_\_\_ give permission for my child/ren to be seen by the Doctor at School if required. I understand that there is no cost for this service unless special follow up is required. I understand I will be informed regarding any visits my child has with the doctor. I agree to allow the school to share relevant information with the school doctor.
